SUMMARY

Product Designer with 5+ years of experience designing web apps, mobile apps and SaaS dashboards across banking, insurance, edtech and smart mobility. Led end-to-end design of an AI-powered education platform as Lead Product Designer for a UK startup. Combines UX research, design systems and AI-powered workflows to ship developer-ready interfaces faster, cutting design iteration time by 40%. As a design engineer, also develops his designs into production-ready front-end interfaces.

SKILLS

Product & UX: Product Design, UX Strategy, User Research, Information Architecture, Interaction Design, CRO-Focused UI Design, AI Product Design
Design & Prototyping: Wireframing, Interactive Prototyping, Responsive Breakpoint Design, RTL / Bilingual UI
Design Systems & Handoff: Design System Architecture, Component Library Management, Developer Handoff (Figma), Visual QA & Consistency Review, Accessibility Annotation (WCAG)
AI Workflows: AI-Powered Design Workflows, Rapid Prototyping with V0 by Vercel and Replit
Front-End Development: Design-to-Code Implementation, Responsive Front-End Development, Component-Based UI Development, Pixel-Perfect UI Implementation, AI-Assisted Development (V0 by Vercel, Replit, Claude)

EXPERIENCE

Product Designer Jan 2026 – Present
Musemind | Dhaka, Bangladesh
- Designed digital banking interfaces for Jordan Kuwait Bank, focusing on clear, user-friendly financial workflows.
- Designed digital insurance experiences for Daman Insurance, simplifying key user journeys across the platform.
- Designed website, web app and mobile app interfaces for Tamasho Technologies' smart mobility products, using AI-driven workflows that reduced design iteration time by 40%.

Lead Product Designer Apr 2025 – Jun 2026
ILM AI Ltd. | London, UK (Remote)
- Led design of ILMINO, an AI-powered educational ecosystem spanning a marketing website and dedicated student, parent and teacher dashboards.
- Designed gamified learning experiences and interactive user flows to drive student engagement across the platform.

UI/UX Designer Oct 2024 – Dec 2025
Ovious Studio | Dhaka, Bangladesh
- Conducted UX research, user flow planning and interaction design for responsive products across multiple client projects.
- Partnered with cross-functional teams to maintain visual consistency and improve user experience across deliverables.

Junior UI/UX Designer Jan 2024 – Sep 2024
Bdcalling IT Ltd. | Dhaka, Bangladesh
- Delivered modern, responsive interfaces for 25+ client projects under tight deadlines.
- Worked with senior designers and developers to produce user-friendly, developer-ready UI.

Junior UI/UX Designer May 2022 – Aug 2023
The Muses IT | Dhaka, Bangladesh
- Created wireframes, mockups and interactive prototypes for client product interfaces.
- Built responsive layouts and supported UX research tasks.

EDUCATION

B.Sc. in Computer Science and Engineering Graduated Summer 2023
Northern University Bangladesh | Dhaka, Bangladesh | CGPA: 3.08/4.00

LEADERSHIP

Vice President, NUB Computer Club (NUBCC) Apr 2022 – Apr 2023
Northern University Bangladesh | Dhaka, Bangladesh
- Coordinated club activities and team operations in collaboration with faculty members, and mentored junior members.
